

COMPANY PROFILE

Parkhome Modular Units (Parkhome) are leading manufacturers of modular prefabricated units.

Backed by one of the largest and most respected privately-owned groups in Africa, Parkhome benefits from Southey Holdings' footprint across the continent which encompasses a broad but complementary range of activities. Couple this with the divisional inhouse supply chain and it is easy to see why Parkhome can deliver on quality and service at a price to suit your budget.

A division of Southey holdings

Being part of such a large group we understand the importance of adding value to our customers business, ensuring that they maintain high standards while making a lasting impression on their customers.

Values

- To continuously build and train our team to achieve excellence
- To differentiate ourselves by always exceeding our customers' expectations
- To ensure that we conduct business ethically and with the utmost integrity
- To offer a profitable return for all of our stakeholders

Vision

To be the most reliable, adaptable, service driven modular building manufacturer in Africa whilst sticking to the core values of excellence instilled by our holding company.

Safety Health Environment & Quality

Parkhome Modular units is an ISO 9001:2015 accredited company and has maintained this certification since 2011. Parkhome continues to strive towards excellency in Safety, Health, Environment and Quality to ensure we meet our client's stringent demands across all industries.

Team

Our most valuable asset in our business is our team. We strive to recruit the industries best and leverage our experience to ensure we offer our clients the best solutions for their needs whilst maintaining our core values.
